Welcome and Introductions:

The June 11, 2025, meeting was called to order by the Acting-Chairperson Brenda Thompson and a roll call and introductions were conducted. There were twelve (12) members either present or represented by proxy, which constitutes a quorum of the Subcommittee membership.

Approval of Minutes:

Acting Chairperson Thompson asked all members to review the minutes from the March 21, 2025, meeting. Upon review of the minutes, Mona Dues name was listed twice. The secretary will remove the duplicate name. Kimberly Mason moved to approve minutes seconded by Karen Haring. All members were in favor; minutes accepted.

Discussion About Chairman Election:

Acting-Chairperson Thompson asked the subcommittee to review the list of members who can run or accept a nominee for chairperson and vice-chairperson.

Grant Review:

John Stigall reported that we haven't received the GFO, and we can't hold grant reviews until we receive the GFO. It will be August or September for grant reviews.

PRO Presentation:

Deputy Rocky Webb and Lieutenant Bill Williams presented a proposal to the subcommittee seeking support in building a curriculum and taking it to a higher level of learning, bringing the curriculum to schools and adding leadership components. The University of Charleston will partner with them. They will adhere to the principals of PRO and add leadership to the curriculum. This will provide an opportunity to take the program to an accelerated level through education. Acting Chairperson Thompson will bring this up at the next meeting.

Return to Agenda Item about Chairman Election:

Acting Chairperson Thompson advised the By-Laws say that when there is a resignation, an election should be held at the next meeting. Because that would not have allowed those members who qualify time to consider their willingness to run, she suggested that the election be postponed until the next meeting. Kimberly Mason moved that we postpone, seconded by Wanda Cox. All members were in favor; motion carried and adopted.

Compliance Monitoring Update:

Shelbi Huffman gave the compliance monitoring update and reported the new threshold unrealistic expectations. We will be well within compliance and will be getting the full award.

Adjournment:

There being no additional business to discuss, Wanda Cox made a motion to adjourn the meeting, seconded by Kim Mason. Vote unanimous; meeting adjourned.
