## Knowledge, Experience & Proposal Synopsis

2K Consulting, LLC is owned and operated by certified PREA Auditor, Kendra Prisk. Ms. Prisk has held a PREA Auditor certification since 2013. She was the statewide PREA Coordinator for the Florida Department of Corrections from the release of the standards until 2017. Ms. Prisk has created, drafted and implemented sexual abuse and sexual harassment policies, procedures and practices for the third largest prison system in the United States. Ms. Prisk also has experience implementing the standards at an Assistant Warden level from 2017-2019. Ms. Prisk understands the nuances of PREA compliance in a correctional setting and the challenges that many agencies/facilities face. Ms. Prisk has conducted over 70 audits for federal prisons, state prisons, local jails and community confinement facilities. She has worked with over 20 different agencies on PREA compliance, including assisting with the development and implementation of corrective action plans.

With over seven years of PREA auditing experience, Ms. Prisk has developed an efficient process for PREA audits. Initial contact is at least eight weeks prior to the on-site portion of the audit. Auditors will send the audit announcement (in English and Spanish) as well as a logistics email that discusses schedules and documents needed prior to the on-site portion of the audit and during the on-site portion of the audit. Auditors will schedule an initial call with the facility(ies) soon there-after to go over the information in the email and to clarify any questions or concerns. Auditors will work with the staff to ensure the Pre-Audit Questionnaire (PAQ) is submitted four to six weeks prior to the on-site portion of the audit. Subsequent communication (via phone and/or email) will ensue related to the issue log (if applicable) and any additional documents needed prior to the on-site portion of the audit. During the pre-audit phase Auditors will be available to assist with any questions, comments or concerns with hopes of identifying any non-compliance (if applicable) prior to the on-site portion of the audit (in order to start immediate corrective action). While on-site, auditors will conduct a tour of the facility, staff interviews, incarcerated individual interviews and a review of documentation. Upon completion of the on-site portion of the audit auditors will clearly express information/documentation that is still needed as well as any issues identified up until that point where corrective action can be immediately implemented (if applicable). A spreadsheet and/or document will be provided to the facility outlining documents that were reviewed and/or still need to be reviewed to maintain open communication and transparency related to documentation review. Auditors will review all information gathered during the pre-audit phase and the on-site portion of the audit and will submit an interim report within 45 days of completion of the on-site portion of the audit. A corrective action plan will also be provided to the facility, if applicable. If a corrective action plan is provided, Auditors will set up a call to go over the corrective action plan with facility staff to ensure the plan is in collaboration with the facility. Auditors will work with the facility during the corrective action period to ensure timelines are met. Auditors will provide a final audit report no later than 30 days after the completion of the corrective action period, or sooner if corrective action is completed prior to the 180 days.

## Insurance

2K Consulting, LLC maintains general liability insurance up to \$2,000,000.00 through State Farm. 2K Consulting, LLC also maintains professional liability insurance up to \$3,000,000.00 through Hiscox, Inc. Proof of insurance will be provided upon request.

## Auditors

Ms. Prisk will perform the majority of audits for adult facilities. Ms. Karen Murray will perform the majority of the audits for juvenile facilities. The below certified DOJ auditors will also be available to perform audit services.

<b>Certified PREA Auditors</b>			
<i>Auditor Name</i>	<i>Date of Most Recent DOJ Auditor Certification</i>	<i>Years of Experience with PREA Audits</i>	<i>Years of Experience in Institutional Setting</i>
