Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

Sexual Misconduct Questionnaire

The WVDCR has a zero-tolerance policy for sexual abuse and sexual harassment of offenders in DCR custody. The following questions shall be asked of new hires, existing staff upon promotion and in conjunction with the agency's four-year background check process, volunteers, contractors, mentors and interns who may have direct contact with offenders. These questions deal with previous acts of sexual misconduct in which the individual responding to the questionnaire was the instigator or perpetrator of sexual abuse or sexual harassment of an incarcerated person.

Have you ever engaged in sexual abuse or harassment of an incarcerated person while employed in a prison, jail, lockup, community confinement facility or juvenile facility or other institution? **Yes / No**

Have you ever been convicted of engaging or attempting to engage in sexual activity in the community facilitated by force, overt or implied threats, or coercion, or if the victim did not consent or was unable to consent or refuse? **Yes / No**

Have you ever been civilly or administratively adjudicated to have engaged in sexual activity in the community facilitated by force, overt or implied threats, or coercion, or if the victim did not consent or was unable to consent or refuse? **Yes / No**

Have you ever been involved in a relationship with an incarcerated person while employed in a prison, jail, lockup, community confinement facility, juvenile facility, or other institution? **Yes / No**

Have you ever resigned or otherwise left employment at a prison, jail, lockup, community confinement facility, juvenile facility, or other institution while under investigation for allegations related to sexual misconduct? **Yes / No**

By signing below, you acknowledge and affirm that you have answered the above questions honestly and truthfully. You understand that material omissions regarding sexual misconduct or providing false information shall be grounds for termination or denial of access to DCR facilities. A criminal background check will be completed prior to being hired or gaining access to a DCR facility.

Prison Rape Elimination Act (PREA) Acknowledgement for Volunteers, Contractors, Mentors

The Prison Rape Elimination Act (PREA) is a federal law that prohibits and seeks to eliminate sexual assaults and sexual misconduct in correctional institutions and community corrections settings. The West Virginia Division of Corrections & Rehabilitation (WVDCR) has **ZERO TOLERANCE** regarding instances of sexual misconduct and sexual harassment. WVDCR is committed to providing a safe and healthy environment for staff and offenders. The intent of PREA is to ensure a safe, humane, and secure environment, free from the threat of sexual misconduct and sexual harassment for all offenders, employees, volunteers, and contractors.

Sexual misconduct and sexual harassment within WVDCR facilities is prohibited. The WVDCR investigates all allegations of sexual misconduct and sexual harassment. Any contractor or volunteer who engages in such behavior shall be prohibited from entering the facility. Contact with offenders shall be prohibited and the perpetrator shall be reported to law enforcement agencies and to relevant licensing bodies. The facility shall take appropriate remedial measures and shall consider whether to prohibit further contact with offenders.

Anyone who witnesses, becomes aware of or suspects sexual misconduct or sexual harassment has a duty to report. If you have information regarding a WVDCR offender who has been victimized while in WVDCR custody or community supervision, you may report by, informing the Superintendent, institutional leadership or your Program Supervisor. You may report either in person, by writing or by phone.

You may report it anonymously to the Office of PREA Compliance by calling 304-558-2036, emailing DCRPrea@wv.gov or by mailing the information to ATTN: OPC 1409 Greenbrier Street Charleston WV 25311.
