Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Upon request, the Vendor must provide all necessary releases to obtain information to enable the Division of Corrections and Rehabilitation to verify that the Vendor is licensed and in good standing with the above entities.

SUBCONTRACTOR COMPLIANCE: Vendor shall notify all subcontractors providing commodities or services related to this Contract that as subcontractors, they too are required to be licensed, in good standing, and up-to-date on all state and local obligations as described in this section. Obligations related to political subdivisions may include, but are not limited to, business licensing, business and occupation taxes, inspection compliance, permitting, etc. Notification under this provision must occur prior to the performance of any work under the contract by the subcontractor.

33. **ANTITRUST:** In submitting a bid to, signing a contract with, or accepting a Award Document from any agency of the State of West Virginia, the Vendor agrees to convey, sell, assign, or transfer to the State of West Virginia all rights, title, and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the State of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the State of West Virginia. Such assignment shall be made and become effective at the time the Division of Corrections and Rehabilitation tenders the initial payment to Vendor.
34. **VENDOR NON-CONFLICT:** Neither Vendor nor its representatives are permitted to have any interest, nor shall they acquire any interest, direct or indirect, which would compromise the performance of its services hereunder. Any such interests shall be promptly presented in detail to the Agency.

Vendor's signature on its bid or offer also affirms that neither it nor its representatives have any interest, nor shall acquire any interest, direct or indirect, which would compromise the performance of its services hereunder. Any such interests shall be promptly presented in detail to the Agency. The individual signing this bid or offer on behalf of Vendor certifies that he or she is authorized by the Vendor to execute this bid or offer or any documents related thereto on Vendor's behalf; that he or she is authorized to bind the Vendor in a contractual relationship; and that, to the best of his or her knowledge, the Vendor has properly registered with any State agency that may require registration.

35. **VENDOR RELATIONSHIP:** The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension, or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, licensing fees, etc. and the filing of all necessary documents, forms, and returns pertinent to all of the foregoing.

Vendor shall hold harmless the State, and shall provide the State and Agency with a defense against any and all claims including, but not limited to, the foregoing payments, withholdings, contributions, taxes, Social Security taxes, and employer income tax returns.

36. **INDEMNIFICATION:** The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers,

employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.

- 37. NO DEBT CERTIFICATION:** In accordance with West Virginia Code § 5-22-1(i), the State is prohibited from awarding a contract to any bidder that owes a debt to the State or a political subdivision of the State. By submitting a bid, or entering into a contract with the State, Vendor is affirming that (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined in the statute cited above unless the debt or employer default is permitted under the statute.
- 38. CONFLICT OF INTEREST:** Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.
- 39. REPORTS:** Vendor shall provide the Agency with the following reports identified by a checked box below:
- Such reports as the Agency may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.
- Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Division of Corrections and Rehabilitation.
- 40. BACKGROUND CHECK:** In accordance with W. Va. Code § 15-2D-3, the State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Division of Corrections and Rehabilitation Facilities based upon results addressed from a criminal background check.
- 41. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:** In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not

produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a “substantial labor surplus area”, as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

42. **INTERESTED PARTY SUPPLEMENTAL DISCLOSURE:** W. Va. Code § 6D-1-2 requires that for contracts with an actual or estimated value of at least \$1 million, the vendor must submit to the Agency a disclosure of interested parties prior to beginning work under this Contract. Additionally, the vendor must submit a supplemental disclosure of interested parties reflecting any new or differing interested parties to the contract, which were not included in the original pre-work interested party disclosure, within 30 days following the completion or termination of the contract. A copy of that form is included with this solicitation or can be obtained from the WV Ethics Commission. This requirement does not apply to publicly traded companies listed on a national or international stock exchange. A more detailed definition of interested parties can be obtained from the form referenced above.
43. **PROHIBITION AGAINST USED OR REFURBISHED:** Unless expressly permitted in the solicitation published by the State, Vendor must provide new, unused commodities, and is prohibited from supplying used or refurbished commodities, in fulfilling its responsibilities under this Contract.
44. **REQUIREMENTS PER W. VA. CODE § 15A-3-14:** The commissioner, or division, shall not award a contract or renew a contract to any vendor or prospective vendor when the vendor or prospective vendor, or a related party to the vendor or prospective vendor, is a debtor and:

- a. The debt owed is an amount greater than \$1,000 in the aggregate; or
- b. The debtor is in employer default.

The division has the authority to run criminal background checks, financial background checks, a licensing check, and a credit check, and any vendor, or any and all principals in a company or corporation, must submit to said checks to be eligible to be awarded a contract for the division. The commissioner, or division, shall not award a contract to a vendor if any of the following are present:

- b. Conviction of any federal or state antitrust statute relating to the submission of offers;
- c. Conviction of an offense involving embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property in connection with the performance of a contract;
- d. Conviction of a felony offense demonstrating a lack of business integrity or business honesty that affects the present responsibility of the vendor or subcontractor;
- e. Default on obligations owed to the state, including, but not limited to, obligations owed to the Workers' Compensation Fund, as defined in [§23-2C-1](#) *et seq.* of this code, and obligations under the West Virginia Unemployment Compensation Act and West Virginia state tax and revenue laws. For purposes of this subsection, a vendor is in default when, after due notice, the vendor fails to submit a required payment, interest thereon, or penalty, and has not entered into a repayment agreement with the appropriate agency of the state or has entered into a repayment agreement but does not remain in compliance with its obligations under the repayment agreement. In the case of a vendor granted protection by order of a federal bankruptcy court or a vendor granted an exemption under any rule of the Bureau of Employment Programs or the Insurance Commission, the commissioner may award a contract: *Provided*, That in no event may the contract be awarded to any vendor who has not paid all current state obligations for at least the four most recent calendar quarters, excluding the current calendar quarter, or with respect to any vendor who is in default on a repayment agreement with an agency of the state;
- f. The vendor is not in good standing with a licensing board, in that the vendor is not licensed when licensure is required by the law of this state, or the vendor has been found to be in violation of an applicable licensing law after notice, opportunity to be heard, and other due process required by law;
- g. The vendor is an active and knowing participant in dividing or planning procurements to circumvent the \$25,000 threshold requiring a sealed bid or otherwise avoid the use of a sealed bid; or
- h. Violation of the terms of public contracts or subcontracts for:

- 1) Willful failure to substantially perform in accordance with the terms of one or more public contracts;
- 2) Performance in violation of standards established by law or generally accepted standards of the trade or profession amounting to intentionally deficient or grossly negligent performance on one or more public contracts;
- 3) Use of substandard materials on one or more public contracts or defects in construction in one or more public construction projects amounting to intentionally deficient or grossly negligent performance, even if discovery of the defect is subsequent to acceptance of a construction project and expiration of any warranty thereunder;
- 4) A repeated pattern or practice of failure to perform so serious and compelling as to justify disqualification; or
- 5) Any other cause of a serious and compelling nature amounting to knowing and willful misconduct of the vendor that demonstrates a wanton indifference to the interests of the public and that caused, or that had a substantial likelihood of causing, serious harm to the public.

Unless the context clearly requires a different meaning, for the purposes of this section, the term:

- a. “Debt” means any assessment, premium, penalty, fine, tax, or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, amounts owed to the Workers’ Compensation Fund as defined in [§23-2C-1](#) *et seq.* of this code, penalty, or other assessment or surcharge presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon;
- b. “Debtor” means any individual, corporation, partnership, association, limited liability company, or any other form of business association owing a debt to the state or any of its political subdivisions, and includes any person or entity that is in employer default;
- c. “Employer default” means having an outstanding balance or liability to the Old Fund or to the Uninsured Employers’ Fund or being in policy default, as defined in [§23-2C-2](#) of this code, failure to maintain mandatory workers’ compensation coverage, or failure to fully meet its obligations as a workers’ compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement;
- d. “Political subdivision” means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function and whose jurisdiction is coextensive with one or more counties or municipalities; and

- e. “Related party” means a party, whether an individual, corporation, partnership, association, limited liability company, or any other form of business association or other entity whatever, related to any vendor by blood, marriage, ownership, or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually, or by effect, receive or control a portion of the benefit, profit, or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

The prohibitions of subdivision (5), subsection (f) of this section do not apply where a vendor has contested any tax administered pursuant to chapter 11 of this code, amount owed to the Workers’ Compensation Fund as defined in [§23-2C-1](#) *et seq.* of this code, permit fee, or environmental fee or assessment and the matter has not become final, or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

The division may disqualify a vendor if award to the vendor would jeopardize the safe, secure, and orderly operations of the division.

All bids, contract proposals, or contracts with the state or any of its political subdivisions submitted or approved under the provisions of this code shall include an affidavit that the vendor, prospective vendor, or a related party to the vendor or prospective vendor is not in employer default and does not owe any debt in an amount in excess of \$1,000 or, if a debt is owed, that the provisions of subsection (h) of this section apply.

UNDERGROUND SEWER PIPE PROJECT
HUTTONSVILLE CORRECTIONAL CENTER AND JAIL

The West Virginia Division of Corrections and Rehabilitation (DCR) is soliciting bids on behalf of Huttonsville Correctional Center and Jail, to establish a contract for a lump sum amount to install underground sewer pipe. The facility is located at U. S. Route 250 South, Huttonsville, WV 26273 and is in Randolph County.

Contractors quoting this project **SHALL** comply with the below Specifications:

SUMMARY OF PROJECT, STANDARD SPECIFICATIONS, AND REQUIREMENTS:

PART 1 GENERAL:

1.01 DESCRIPTION:

- A. At Huttonsville Correctional Center and Jail, they recently had two areas in a section of the main sewer pipe that collapsed. The facility was able to repair the two areas. Because it is believed that the existing section of the underground sewer pipe is original to the building and was installed about 1938 and other areas could collapse at any time, the DCR wants the entire section from dorm C building to the manhole that is located outside the north end of the vocational education building replaced with new. The contractor must, but is not limit to, excavation, install gravel, install ten (10”) inch SDR 35 pipe, connect the new sewer pipe with the existing sewer pipe that comes out of the dorm C building, connect the new sewer pipe into an existing manhole by the outside of the north end of the vocational education building, backfill, and relocate the remaining spoils to a location designated by the facility. Below is additional information concerning the project:
1. The existing sewer pipe that is below dorm C is ten (10”) inch metal piping. The existing ten (10”) inch metal sewer pipe comes out of the building approximately four (4’) feet below grade level.
 2. Whenever the underground sewer pipe was originally installed, after the ten (10”) inch metal sewer pipe was connected to ten (10”) inch terracotta pipe. The ten (10”) inch terracotta pipe continues underground, going underneath the service entrance loading dock, continuing to, and connected to the manhole located outside the north end of the vocational education building. The estimated depth into the manhole is ten (10’) feet below grade level.
 3. Where the existing ten (10”) inch metal sewer pipe comes out of the building at dorm C building, there is an eight (8”) inch PVC sewer pipe that is connected. A few years ago, the existing ten (10”) inch terracotta sewer pipe was damaged and repaired with eight (8”) inch PVC piping.

5. The contractor must put gravel at a minimum of six (6") inches underneath, around both sides, and a minimum of six (6") inches above the new sewer pipe throughout the project.
6. At the area where the existing ten (10") inch metal sewer pipe comes out of the building and connects to the existing eight (8") inch PVC sewer pipe, the contractor must remove the existing eight (8") inch PVC sewer pipe and install a forty-five (45°) degree, ten (10") inch SDR 35 sewer connector pipe. The contractor must connect a straight section of SDR 35 sewer pipe to the previously stated forty-five (45°) degree, ten (10") inch SDR 35 sewer connector pipe. The contractor must the connect the straight section of the SDR 35 sewer pipe to a forty-five (45°) degree, ten (10") inch SDR 35 sewer connector pipe.
