**Commodity Line Comments:** We can provide the machines as listed (Xbox series S with no wifi, 1TB and pre-installed games) for \$359/ each. or \$5744.00 total.  
 Part of the request for bids describes the game systems as "handheld no need to connect to power" The xbox series S is not a handheld system and does need power connection and connection to an external screen.  
 Please clarify, thanks
