

STATE OF WEST VIRGINIA
PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

Any individual that does attempt to represent two or more vendors will be required to select one vendor to which the individual's attendance will be attributed. The vendors not selected will be deemed to have not attended the pre-bid meeting unless another individual attended on their behalf. The required attribution of attendance to a single vendor should be addressed during the pre-bid but may occur at any time deemed appropriate by the Agency.

An attendance sheet provided at the pre-bid meeting shall serve as the official document verifying attendance. Any person attending the pre-bid meeting on behalf of a Vendor must list on the attendance sheet his or her name and the name of the Vendor he or she is representing.

Additionally, the person attending the pre-bid meeting should include the Vendor's E-Mail address, phone number, and Fax number on the attendance sheet. Failure to complete the attendance sheet as required may result in disqualification of Vendor's bid.

All Vendors should arrive prior to the starting time for the pre-bid. Vendors who arrive after the starting time but prior to the end of the pre-bid will be permitted to sign in, but are charged with knowing all matters discussed at the pre-bid.

Processional Services

Vendor Questions and Agency Responses:

1. Will WV accept a response for providing for a limited set of professional services, no-bid certain services?
A. No, as per Exhibit A – Pricing Page. A no bid will result in Vendor’s bid being disqualified.
2. Would not bidding on certain services disqualify us from participating in future bids?
A. No, a no bid would only disqualify you from this solicitation.
3. Motorola is requesting an extension to the bid due date, which is posted as June 23rd to July 23rd. The additional time allows refinement of pricing and service capability for each of the requirements.
A. No, the Agency will not agree to extend the bid closing date at this time.
4. Aside from the required Pricing Page (RFQ Exhibit A), should bidders also submit a narrative response to detail their qualifications and ability to meet the requested Contract Items and Specifications? What is the preferred method/format for sending required references?
A. Vendor’s may submit a narrative response but it is not required. There is no preferred method/format for sending references. As per specification 3.6 – Vendor must provide Agency with a minimum of 3 State/County level references and must be submitted with Vendor’s bid. The references may be uploaded in wvOasis as a PDF or may be send in its bid package if being hand delivered.
5. What are the bid evaluation criteria and what factors will be considered when awarding the contract?
A. Lowest overall price meeting all the mandatory requirements of the ARFQ from a responsible and responsive Vendor.
6. For pricing, is the “life of the contract” defined as a two-year term? Is the pricing subject to review/adjustment during each of the eight one-year renewal periods? (RFQ Terms & Conditions document, PDF page 5, section 3 – Contract Terms; Extension. RFQ Terms & Conditions document, PDF page 9, section 11 – Pricing).
A. The pricing for the initial 2 year term will remain the same. The Agency is amending the specifications to add 5.1.1 for a price increase. For the eight (8) one (1) year renewals the Vendor may request a price increase with this added specification.

Processional Services

7. What is the Department's process for executing contract renewals and what criteria will be evaluated when considering vendors for contract renewals for this project? (RFQ Terms & Conditions document, PDF page 5, section 3 – Contract Terms; Renewal; Extension.)
- A. For a contract renewal after the initial term, the Agency will submit an offer letter to the Vendor to renew the contract for a period of one year. In the letter the Agency will ask for the vendor to sign and return if they agree to the terms.
8. For bidding purposes and recognizing that the estimated quantities (noted as 20 for each contract item) are subject to change, should bidders provide estimates based on the scope of work for the initial two-year contract or for the scope of work of a potential 10-year contract, including the eight one-year renewals?)RFQ Exhibit A, Pricing Page).
- A. As per Exhibit A – Pricing page – The estimated quantities are for bidding purposes only.
9. After reviewing the bids and making an award and offer to contract with a Vendor, what are the next steps and timeline envisioned by the Agency for the start of the project?
- A. Project start will be contingent on funding and need of the system. We are looking at several projects for the coming year and could possibly start immediately.

FEDERAL FUNDS ADDENDUM

2 C.F.R. §§ 200.317 – 200.327

Purpose: This addendum is intended to modify the solicitation in an attempt to make the contract compliant with the requirements of 2 C.F.R. §§ 200.317 through 200.327 relating to the expenditure of certain federal funds. This solicitation will allow the State to obtain one or more contracts that satisfy standard state procurement, state federal funds procurement, and county/local federal funds procurement requirements.

Instructions: Vendors who are willing to extend their contract to procurements with federal funds and the requirements that go along with doing so, should sign the attached document identified as: "REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS (2 C.F.R. § 200.317)"

Should the awarded vendor be unwilling to extend the contract to federal funds procurement, the State reserves the right to award additional contracts to vendors that can and are willing to meet federal funds procurement requirements.

Changes to Specifications: Vendors should consider this solicitation as containing two separate solicitations, one for state level procurement and one for county/local procurement.

State Level: In the first solicitation, bid responses will be evaluated with applicable preferences identified in sections 15, 15A, and 16 of the "Instructions to Vendors Submitting Bids" to establish a contract for both standard state procurements and state federal funds procurements.

County Level: In the second solicitation, bid responses will be evaluated with applicable preferences identified in Sections 15, 15A, and 16 of the "Instructions to Vendors Submitting Bids" omitted to establish a contract for County/Local federal funds procurement.

Award: If the two evaluations result in the same vendor being identified as the winning bidder, the two solicitations will be combined into a single contract award. If the evaluations result in a different bidder being identified as the winning bidder, multiple contracts may be awarded. The State reserves the right to award to multiple different entities should it be required to satisfy standard state procurement, state federal funds procurement, and county/local federal funds procurement requirements.

State Government Use Caution: State agencies planning to utilize this contract for procurements subject to the above identified federal regulations should first consult with the federal agency providing the applicable funding to ensure the contract is compliant.

County/Local Government Use Caution: County and Local government entities planning to utilize this contract for procurements subject to the above identified federal regulation should first consult with the federal agency providing the applicable funding to ensure the contract is compliant. For purposes of County/Local government use, the solicitation resulting in this contract was conducted in accordance with the procurement laws, rules, and procedures governing the West Virginia Division of Emergency Management. Vendor preference has been omitted for County/Local use purposes and the contract terms contained in the document entitled "REQUIRED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY CONTRACTS UNDER FEDERAL AWARDS (2 C.F.R. § 200.317)" have been added.

6.2.1. Cancellation. The Director may cancel a purchase or contract immediately under any one of the following conditions including, but not limited to:

6.2.1.a. The vendor agrees to the cancellation;

6.2.1.b. The vendor has obtained the contract by fraud, collusion, conspiracy, or is in conflict with any statutory or constitutional provision of the State of West Virginia;

6.2.1.c. Failure to honor any contractual term or condition or to honor standard commercial practices;

6.2.1.d. The existence of an organizational conflict of interest is identified;

6.2.1.e. Funds are not appropriated or an appropriation is discontinued by the legislature for the acquisition;

6.2.1.f. Violation of any federal, state, or local law, regulation, or ordinance, and

6.2.1.g. The contract was awarded in error.

6.2.2. The Director may cancel a purchase or contract for any reason or no reason, upon providing the vendor with 30 days' notice of the cancellation.

6.2.3. Opportunity to Cure. In the event that a vendor fails to honor any contractual term or condition, or violates any provision of federal, state, or local law, regulation, or ordinance, the Director may request that the vendor remedy the contract breach or legal violation within a time frame the Director determines to be appropriate. If the vendor fails to remedy the contract breach or legal violation or the Director determines, at his or her sole discretion, that such a request is unlikely to yield a satisfactory result, then he or she may cancel immediately without providing the vendor an opportunity to perform a remedy.

6.2.4. Re-Award. The Assistant Director – DAS Purchasing Section may award the cancelled contract to the next lowest responsible bidder (or next highest scoring bidder if best value procurement) without a subsequent solicitation if the following conditions are met:

6.2.4.a. The next lowest responsible bidder (or next highest scoring bidder if best value procurement) is able to perform at the price contained in its original bid submission, and

6.2.4.b. The contract is an open-end contract, a one-time purchase contract, or a contract for work which has not yet commenced.

W. Va. CSR § 170-6-6

6.2.4.c. Award to the next lowest responsible bidder (or next highest scoring bidder if best value procurement) will not be an option if the vendor's failure has in any way increased or significantly changed the scope of the original contract. The vendor failing to honor contractual and legal obligations is responsible for any increase in cost the state incurs as a result of the re-award.

6.3. Non-Responsible. If the Assistant Director – DAS Purchasing Division believes that a vendor may be non-responsible, the Assistant Director – DAS Purchasing Section may request that a vendor provide evidence that the vendor either does or does not have the capability to fully perform the contract requirements, and the integrity and reliability necessary to assure good faith performance. If the Assistant Director – DAS Purchasing Section determines that the vendor is non-responsible, the Assistant Director – DAS Purchasing Section shall reject that vendor's bid and shall not award the contract to that vendor. A determination of non-responsibility must be evaluated on a case-by-case basis and can only be made after the vendor in question has submitted a bid. A determination of non-responsibility will only extend to the contract for which the vendor has submitted a bid and does not operate as a bar against submitting future bids.

6.4. Damages.

6.4.1. A vendor who fails to perform as required under a contract shall be liable for actual damages and costs incurred by the Division.

6.4.2. If any commodities delivered under a contract have been used or consumed by a spending unit and on testing the commodities are found not to comply with specifications, no payment may be approved by the Division for the merchandise until the amount of actual damages incurred has been determined.

6.4.3. The Division shall seek to collect damages by following the procedures established by the Office of the Attorney General for the collection of delinquent obligations.

Project Overview:

The City of Salina and Saline County retained TUSA Consulting to help them explore options for upgrading their communications equipment. TUSA conducted a comprehensive Needs Assessment that included drive testing of the County. Not only did TUSA map their existing UHF system, but we also mapped the KSICS system to show what coverage looked like today. The report was delivered in July 2018 and provides five conceptual solutions, including joining the KSICS system and adding sites, sharing a core with McPherson County, or building their own radio system. TUSA helped procure and build out the new system, which is now live.

Project Overview:

TUSA chose this reference because it is a current reference within the State of Illinois and involved STARCOM.

Sangamon County, which is the home of State Capital and the City of Springfield, needed help identifying the technical and cost opportunities of various radio system options. The County currently operates a three (3) channel, one (1) site TX, five (5) site RX VHF analog system. All County Fire, EMS, & Rescue Departments, not in the City of Springfield, use this analog system for primary, day-to-day operations. The County Sheriff however operates on Star-Com, a Motorola maintained, state-wide 800 Mhz, P25 Phase 1 radio system. TUSA was retained to perform a comprehensive Needs Assessment that provided conceptual solutions and budgetary estimates. Afterwards, TUSA drafted an RFP and through a competitive procurement, the County elected to join STARCOM. This Motorola system is currently being built out and TUSA is assisting with overseeing the implementation and testing.
