Addendum 1

Vendor Questions and Agency Responses:

Q1: So the Glock 21SF was discontinued after Gen3, meaning a Gen4 or newer model would be impossible for us to provide. However, what we could do is provide an equal and newer alternative with the G21 Gen5 MOS that will match the desired specification and also provide the ability to mount an optic should the need ever arise.

A1: Specification 3.1.1.1 says Glock 21SF 45ACP or new. A Glock 21 Gen5 MOS would be acceptable to bid.

Q2: For the required lifetime service policy, how would the department want this to work?

A2: Vendor must provide the Agency with a lifetime policy that would cover all parts for each pistol.

Q3: Would the department want to ship the firearms our way for repairs or maintenance, or would the service policy warrant a visit to the department when needed?

A3: Agency has a certified Glock Armorer that would be responsible for all repairs.

Q4: Additionally, does this policy need to be priced separately or included in the price of the line items?

A4: Price needs to be included in the line items.

Q5: Would you be able to confirm, of the following available options, the sights to associate with the bid specification?

A5: Please quote with the standard Glock sights with white marking dot.
