The prohibitions of subdivision (5), subsection (f) of this section do not apply where a vendor has contested any tax administered pursuant to chapter 11 of this code, amount owed to the Workers' Compensation Fund as defined in [§23-2C-1](#) *et seq.* of this code, permit fee, or environmental fee or assessment and the matter has not become final, or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

The division may disqualify a vendor if award to the vendor would jeopardize the safe, secure, and orderly operations of the division.

All bids, contract proposals, or contracts with the state or any of its political subdivisions submitted or approved under the provisions of this code shall include an affidavit that the vendor, prospective vendor, or a related party to the vendor or prospective vendor is not in employer default and does not owe any debt in an amount in excess of \$1,000 or, if a debt is owed, that the provisions of subsection (h) of this section apply.
